### PANG CHANG MAETAMAN

In the lush tropical jungle of Chiang Mai's Maetaman Valley, a big family of elephants lives side by side with their mahout caretakers. "Maetaman Elephant Camp" is home to one of the largest assembly of elephants in the north of Thailand. Our philosophy is to create a natural and healthy environment for the elephants while working to conserve and breed them, due to the dwindling number of Asian elephants left in the wild. There are also other interesting activities such as hill-tribe village lifestyle, ox cart ride and bamboo rafting.
